Dear Damian

I would like to thank you for your kind donation of main presents and stocking fillers for all the children in the refuge, the 16 packs of foot cream for the ladies in the refuge and also the coffee you donated that we are using in our resident groups e.g. sewing club.

Due to your kind donation the children were able to receive a bagful of presents each and it certainly put a smile on their faces.

Debi Brown
Children's Worker
